Please note that these programs will be sponsored by the Office of Student Life, SGA or Cougar Activities Board. This request does not include events sponsored by other departments or registered student organizations. Requests for additional use of the Cistern, 58 George Street, Cougar Plaza or Physicians Promenade will be forwarded to Sarah Zeigler and Elizabeth Kassebaum for review.

You may also note that the majority of the programs will be held for a limited period of time (typically for 2-3 hours) and will include the use of a public address system (SGA Soap Box events, candidate debate, etc.). The CAB Executive Board plans to hold Cougarpalooza on the last day of classes (as it had been previously), based on feedback that they received from attendees at the 2007 event (which was held on a Saturday).

Let me know if you have any questions regarding this information. Thank you both once again for your continued support of student-oriented programs at the College of Charleston.
